# ADMIRAL MALTINGS

ALAMEDA CALIF.

Admiral Maltings partners with California farmers to source quality, local grain that we floor malt to produce exceptional, hand-crafted malt. Our malt helps brewers and distillers make great beer and spirits, enables them to operate more sustainably, deepens their connection to local agriculture, and differentiates and enhances their brand identity in an increasingly crowded space.

Join us on Alameda island to learn more about our processes, taste beer made with Admiral malt, and tour our facilities!
