

LOCAL BEER DOESN'T BEGIN AT THE BREWERY, IT STARTS IN THE GROUND

ADMIRAL
MALTINGS

ALAMEDA
CALIF.

....THROUGH THE HARD WORK OF FARMERS.

WHO GREW THE GRAINS AND HOPS? WHERE? HOW? TRULY LOCAL BEER HAS A SENSE OF PLACE THAT'S BIGGER THAN THE BREWERY—A TERROIR THAT ENCOMPASSES CONTRIBUTIONS FROM THE SOIL, WEATHER, AND THE MANY HANDS THAT SHEPHERD BEER'S AGRICULTURAL INGREDIENTS ALONG FROM FIELD TO GLASS.

SHOWCASE THE INSEPARABLE RELATIONSHIP BETWEEN FARMERS, MALTSTERS AND BREWERS. CONNECT THE DOTS FOR YOUR CUSTOMERS BY WORKING WITH AND HIGHLIGHTING YOUR USE OF NOT JUST CALIFORNIA MALT BUT CALIFORNIA HOPS, TOO—INGREDIENTS SOURCED FROM ONE OF THE MOST CHERISHED AGRICULTURAL REGIONS IN THE WORLD.

AKIYAMA HOP YARD ROYAL OAKS, CA

Akiyama Hop Yard is a third generation family owned and operated farm in a unique environment on the Elkhorn Slough in Royal Oaks, CA. Built as a carnation nursery in 1970, the farm has been converted into a thriving hop hard.

AKIYAMAHOPS.COM

ALEXANDER VALLEY HOPS SONOMA COUNTY, CA

Planted on the valley floor alongside award-winning Cabernet grapes. The Valley's inland locale provides the perfect hot temperature and provides an array of minerals in the soil that drains exceptionally well and is balanced in complex nutrients. In 2019 they introduced Hops to their growing program. They could not be more excited to bring hops back to California and especially Sonoma County.

AVHOPS.COM

ATOMIC HOPS LODI, CA

Atomic Hops is a California-born hop farming and processing company founded by Art Prudhel and Thomas Bell. Together, they are filling a void in the California craft beer industry. Atomic Hops is the first hop farming company in the State of California to open up their hop processing facility to the public.

CRANE RANCH HOPS SANTA ROSA, CA

Crane Ranch was established 1852. Until 2019 they produce oat hay, grain, sheep, and cattle. And, now they grow hops, too. They are one of Sonoma County's oldest working ranches. The new Hop Yard currently grows 1.25 acres of Cascade, Chinook, Cluster, and Zeus. They plan to expand 1-2 acres per year. New varieties added each year.

REDWOOD HILL FARM AT CAPRACOPIA SEBASTOPOL, CA

Redwood Hill Farm started in 1964 by the Bice family and is most well-known for its herd of dairy goats and award-winning artisan cheese and cultured dairy products. Today, second and third generation members of the Bice family operate a hop yard on the land along with the dairy goats, an olive grove, fruit orchard and flower fields. Their hops are grown organically with no sprays nor chemical fertilizers.
